

# Talking Climate Tech

Weekly Newsletter | Video Podcast | Articles

Loving the newsletter, especially  
Pylon of the Month 😂

NFP Energy Sector, UK

I like what you are doing, it's  
great information

Energy Consultant, USA

Looks great and a really useful  
resource

Data Analytics Founder, UK

I enjoyed the read - I think the format and style are engaging...good combination of visuals and text. I liked that it posed a clear question and had a story arc.

Climate Tech Investment Analyst, Germany

Konfab looks awesome, I've subscribed!

Built Env. Startup Founder, UK

I liked the newsletter and made it to the end! And then got sidetracked by Pylon of the Month...!! ⚡

Project Advisor, NFP, Canada

I've been loving your newsletters!

President, Camb. Uni Energy Technology Society

Good video interview, nice to see  
the inside story from the Founder

Marketing Consultant, France

Thank you, that's a lot of valuable  
content!

Climate Mentor & Author, EU

Your newsletter is pretty detailed,  
where do you find the time!

Investment Consultant, UK

I'm looking forward to  
collaborating on some content  
with you

Marine Sector PhD, UK

Just wanted to thank you for your content  
at Konfab :) Really helped me to take a stab  
at the energy industry and motivated me to  
learn more!

Climate Data Analyst, Argentina

I'd be happy to follow your newsletter. I hope we have the chance for a collaboration in the future.

Climate Tech CFO, EU

I wish my podcast looked like that when I started out!

Professional Podcaster, UK

I truly appreciate your commitment to sharing information about climate tech trends... it's hard to keep up with it! Thanks for your newsletter and your good work. 🌱

Climate Adaptation Strategist, EU

...people who post about energy without having the first clue about the topic might do better to discuss kitten videos instead

Chem. Eng.

🙄 Ok, maybe not this one 📶 😹
